Remember when we struggled with Math in school? Kids will now have an easier time learning Math with the Kiddie Joy Multiplication Rug that's placed in the classroom, playroom or bedroom floor. This rectangular area rug reproduces the familiar multiplication and division table cheat sheet used in Math class. Learning to multiply and divide numbers has never been more fun for elementary kids. Its vibrant colors grab kids' attention. This area rug makes learning Math enjoyable for everyone while ensuring child safety at the same time. Practical, educational and safe. What a great combination!

Made with 100% nylon with non-skid backing for safety.

Smilies Flowers Wall Stickies

Let the beautiful outdoors in with the Smilies Flowers Wall Stickies. Features life-like reproduction of big and small flowers in full bloom and a couple of red ladybugs. Brighten any room with these radiant, colorful wall stickers. What nature-loving pretty girl would not be enticed to have the wall stickies adorn her room? Easily transform a drab room into an eye-catching one with these durable vinyl stickers. Buy multiple sheets to recreate a lovely countryside garden. Wake up every morning to this stunning view and you could almost smell the flowers.

Can be easily applied to any clean, smooth matte wall or surface. Just peel and stick the pre-cut images. Resists fading with high saturation UV inks & removes easily leaving no residue. Available in 6 sheets of 12" x 12".

GINGER ROOT PURE EXTRACT SUPPLEMENT

Ginger Root Capsules for
Natural Relief of Nausea
and Stomach Discomfort

- Safe, 100% pure natural ginger extract
- Ginger root extract provides relief for nausea and reduces symptoms of motion sickness
- Digestive aid that soothes upset stomach
- Anti-inflammatory properties help reduce pain from osteoarthritis
- Ginger root may lower cholesterol and treat heart ailment

Experience the natural healing powers of Ginger Root Pure Extract Supplement, an effective ginger supplement that provides restorative benefits for your body.

Aside from being an important ingredient in Asian cuisine, ginger is also widely known for its potent medicinal properties. It is loaded with anti-inflammatory and antioxidant components that come from its active compounds such as gingerols and shogaols.

Taking ginger for nausea is a good idea, as it has been trusted for many years now to treat nausea and vomiting. This includes nausea and vomiting from motion sickness, following surgery, caused by HIV or AIDS treatment, in cancer chemotherapy patients, or from morning sickness in pregnant women.

Banish your stomach discomfort and bloating with this herbal remedy that aids digestion.

If you need pain relief for your joint problems, these ginger capsules will help reduce your pain from osteoarthritis, and make movement easier.

Ginger root is also used to treat mild stomach upset, and studies suggest that it may help lower cholesterol, improve blood sugar control, and treat heart disease.

Made from safe, 100% pure natural extracts, ginger root extract comes in a convenient capsule formulation.

You don't need to suffer from various ailments when you have the natural wonder drug that is Ginger Root Pure Extract Supplement.
