

PRESTIGE STRATA MANAGEMENT SERVICES

Prestige Strata Management Services delivers a complete range of property management services to unit owners and developers of strata properties.

Strata Management Service Carlton

More and more people are inclined towards living in a strata property because of the many advantages that strata ownership entails, including low price, increased security, belonging to a built-in community, and other attractive amenities.

As a respected strata management company, Prestige Strata Management Services is committed to protect owners' interests and ensure that the best possible decisions are made for your strata title property.

Flemington Property Management Service

Prestige Strata Management Services has been managing strata affairs for many property owners for 7 years.

Working for you and with you, its professional strata managers aim to develop a close working relationship with property owners in order to provide superior service.

With their extensive experience in building and property management, you get to enjoy hassle-free strata living.

Docklands Body Corporate Management

Startacomm's experienced strata managers possess technical knowledge and years of experience on property laws and regulations, making them fully qualified to work for you in handling the day-to-day operations of your strata properties.

Property owners will appreciate the benefits of having professional property management and financial systems in place including having professional staff, access to qualified service providers, and most importantly, risk management experience that the system offers.

Parkville Building Management Services

As your trusted property manager, Prestige Strata Management Services treats your property like it's their own and provides cost-effective management solutions to protect your investment.

They will make sure that regular building maintenance is carried out to keep the property in great condition.

They will guide you in improving your current situation to maximise your investment so you can enjoy the lifestyle that community living offers.

As a member of Strata Community Australia, Prestige Strata Management Services strives to consistently deliver efficient, reliable and honest services at competitive prices.
